SUMMARY

Innovative and solution-driven Computer Engineering student with a strong foundation in full-stack development, business strategy, and project leadership more specifically an absolute learner. Passionate about building impactful tech-driven solutions that address real-world challenges. Proven experience in delivering scalable web platforms. Adept at combining engineering, marketing, and managerial skills to drive product success and enhance user engagement.

WORK EXPERIENCE

Founder & Full Stack Developer at RoomieConnect

Jan 2024 - Present

- Designed and developed a platform connecting room seekers with listers, targeting students and employees.
- Implemented real-time chat using Socket.IO, MongoDB, and Node.js for seamless communication between users.
- Built image uploading, filtering, and room management features using Cloudinary and custom Express.js APIs.

Founder & Developer – Educationora(Palghar)

Self-Initiated EdTech Platform | Launched in Class 11

- Created a student-friendly platform to help school students share and access academic resources freely.
- Built the platform using Google Forms, Sheets, and basic web tools to ensure accessibility for non-tech users.
- Gained hands-on experience in community building, early product testing, and problem validation.

EDUCATION

Pursuing Bachelor of Engineering in Computer Engineering

Aug 2024 - Present

Vidyalankar Institute Of Technology, Mumbai

- Major in logical thinking and problem solving.
- Currently working on computer vision, object detection and image processing.

Higher Secondary Education – Science Stream (PCM)

Aug 2024 - Present

Sonopant Dandekar Shikshan Mandali, Palghar

- Scored 92.60% in Class 12 (HSC – Maharashtra Board)
- Secured 98 Percentile in MHT-CET (Engineering Entrance Exam)

ADDITIONAL INFORMATION

- **Technical Skills:** Full Stack Development (Node.js, Express.js, MongoDB, React), Real-Time Systems (Socket.IO), REST API Design, Cloudinary Integration, Git & GitHub, Agile Development, Basic Firebase
- **Languages:** English, Hindi, Marathi
